SAVE THE DATE – Get Close To The EPO

On 21 September 2023, the Dutch group of UNION-IP is excited to host an informal Roundtable with two EPO leaders:

- Steve Rowan Vice-President DG Patent Granting Process
- Abderrahim Moumen, Director 1213 Data Communications & Applications

along with two representatives of the Dutch patent profession (Rike Dekker, partner at Kilburn & Strode and an industry representative, TBA).

Reinier Wijnstra, President of UNION-IP, will guide the conversation around current topics such as:

- latest developments at the EPO
- ideal interaction between the examiners and patent attorneys – both sides of the story
- how we can maintain the quality of patents granted by the EPO

The event will take place at the Kurhaus in Scheveningen (The Hague).

The Roundtable will take place from 4 to 6 pm, followed by drinks and a dinner.

Watch out for our invitation and registration link. Participation is open for members and non-members of UNION-IP.
